Three great Institutions, one Mission - one Vision.

Overview These courses are designed to prepare individuals for the comprehensive examination leading to certification as an ASP or CSP. The ASP workshop will help you determine whether you are ready to take the examination. You will learn about the core examination materials and become familiar with resources to prepare you for success!

The CSP course covers the four areas of the exam: engineering, management, information management and communications and professional conduct and ethics. The course consists of lectures, sample problems, and discussions on a variety of subjects to prepare the student for either exam. Pertinent reference materials are also discussed to allow students to focus their studies in specific areas prior to sitting for the exams.

The American Board of Industrial Hygiene has awarded ASP 3.0 Safety CM Points, approval #08-2494 and CSP Exam Prep Workshop 3.0 Safety CM Points, approval #08-2493. The workshops will be held from 8 am - 4 pm each day.

Program Faculty C. David Langlois, CSP or Michael A. Weigand, CSP, of Langlois, Weigand & Associates, Inc.

Registration \$695 until May 15, 2009. After deadline, tuition will be \$750. Registration fees must be received in advance. This includes instructional and reference materials. Refund requests must be made in writing 2 weeks prior to course and a 20% processing fee will be deducted. Make checks payable to University of Alabama at Birmingham. If workshop is cancelled, The Deep South Center cannot be held responsible for travel expenses.

Sponsors Two Education and Research Centers (ERCs), sponsored by the National Institute for Occupational Safety and Health (NIOSH) have joined forces to offer these workshops. NIOSH ERCs provide education, training and research in occupational safety and health - to core disciplines and relevant areas of occupational health and safety.

For more than 2 decades, The Deep South Center for Occupational Health & Safety has offered academic programs in occupational health and safety through the University of AL at Birmingham and Auburn University. Now, the Deep South ERC includes an academic program at the University of Alabama in Agricultural Safety and Health...*three great universities - one great mission*. For more information on the Deep South ERC, please contact the Center at dsc@uab.edu or 205.934.7178.

Established in 1997 at the University of South Florida, The Sunshine Education & Research Center offers academic training in Industrial Hygiene, Occupational Health Nursing, Occupational Medicine, Occupational Safety and Occupational Health Psychology, and Safety Management. The Sunshine ERC also has a Continuing Education / Outreach Program and supports research projects. For more information on the Sunshine ERC, please contact **Hana Osman at 813.974.0989 or hosman@helath.usf.edu**.
